### Article Series of Pi Legal Consultancy Continues....

Pi Legal Consultancy continues to offer free legal and business guidance through the articulation of trending articles and papers. Our first article in this month is about Medical Laboratory Regulation in Turkey. It has been observed in this article that the Regulation on Medical Laboratory Services and Advanced Technology Medical Laboratory Practices has been published in the Official Gazette dated 24 October 2025 and numbered 33057 (hereinafter as the Medical Laboratory Regulation in Turkey). Medical Laboratory Regulation in Turkey brings significant advancements in medical laboratories and the healthcare sector. The available article will present a brief outline of the potential features of the new Regulation.

### Regulation on Products Derived from Human Tissues and Cells and Centers Concern

# News & Insights & Legal Alerts

Pi Legal Consultancy is also going on publishing legal alerts covering the most updated developments in Turkey. Our one of recent legal alerts covers a useful analysis of the

## A Key Decision by the Personal Data Protection Authority for the Recording of ID by Hotels.

In the present article by Attorney Büşra Dereli, it has been observed that the Authority concludes that requesting information such as name, surname, Turkish ID number, and identity details from individuals receiving accommodation services is necessary for compliance with Law No. 1774. Nonetheless, it is noted by the Board that such requirement does not cover request and record of a photocopy of the Turkish Identity Card, as a part of an additional personal data processing activity.

Our second legal alert about Anti Dumping Investigation against China India and Malaysia. Our Anti Dumping Working Group Attorney Emre Fatih Özdil formulates that paper while underlining that the scope, target countries and the product subject to the anti-dumping investigation initiated under Communiqué No. 2025/45 published in the Official Gazette dated 31 December 2025 and numbered 33124. The Communiqué addresses the new process launched to review the existing anti-dumping measures imposed on certain polyester products originating from the People's Republic of China, India, and Malaysia. The relevant document defines the procedural framework and substantive rules of the investigation, market economy assessments, and notification deadlines applicable to interested parties. Existing anti-dumping duties will remain in force until the investigation is finalized and will continue to protect the domestic production sector. The final decision will be rendered by the Ministry of Trade after receiving and evaluating the opinions of foreign companies and importers.

## References & Long Term Consultation

Pi Legal Consultancy family is pleased to legally represent the Kommo trademark including the protection of trademark rights within the jurisdiction of Turkey.

Pi Legal Consultancy family is honored to deliver consultation and representation to the European Commission of the European Union for the case on enforcement and recognition of foreign court judgments in Turkey.

Pi Legal Consultancy is very pleased to make an invaluable contribution to the 2025 Business Ready (B-READY) Project, a full-fledged report that will be issued by the World Bank Group analyzing company formation, licensing and registration obligations for foreign direct investments including payment systems or health care providers. After the significant contribution of PiLC to the Project, our founding partners Aladdin İraz and Sevcan Gökalp İraz has been awarded with the Certificate of Appreciation by the World Bank Group.

Pi Legal Consultancy family is very glad to provide legal representation of Adagold Aviation Pty Limited, located in Australia, for debt collection procedures.
